ACTION REQUIRED: Information for Chief of Station

1. Authority for the purchase and installation of air-conditioning as requested by reference (a) is granted as follows:

- a. One 30-ton installation for the mess and bar.
- b. One 30-ton installation for the recreational facilities, lounge and club offices, subject to conditions set forth in paragraph 3 below.
- c. Eight 3/4-ton window units for the hospital.
- d. Two 1-ton window units for the power plant office.

2. Air conditioners for the administrative building expansion are not approved, since it has been determined that this addition will not be constructed (reference b).

3. Authorization granted in paragraph 1 b above is based upon the understanding that the government will be reimbursed as proposed in paragraph 4, reference (a). Acceptance of club funds for this purpose is authorized, it being agreed that the air-conditioning equipment serving the club shall remain the property of the government.
